

Teach Applied Technology

A UBC-BCIT Partnership

Applied Technology Teachers are in Demand

Do you enjoy solving problems through applied design, working with tools, materials and processes?

*Apply for the Bachelor of Education if you have 30 credits of Arts & Sciences and a BCIT Technology Teacher Diploma or equivalent.**

Technology teachers prepare young people in:

Materials Technologies

(Wood • Metal • Plastics)

Computer Technologies

(CAD • Applications • Controls)

Electronic/Electrical Technologies

Automotive Technologies

See www.bcit.ca/manufacturing/tted/ or www.educ.ubc.ca/bachelor/secondary/english/subjects.html

*Programs from other Schools of Technology may be eligible. Speak with a Faculty of Education Advisor
